Our name, "Evergreen Solutions," perfectly embodies our unwavering dedication to delivering sustainable and adaptable support to our esteemed clientele.

## EVERGREEN SOLUTIONS

Evergreen Solutions is comprised of BDA offerings designed to empower our clients in optimizing their OneStream implementations on an ongoing basis. This name, "Evergreen Solutions," aptly encapsulates our commitment to providing sustainable and continuously evolving support to our valued clientele.

In a rapidly changing business landscape, where adaptability and insight are paramount, Evergreen Solutions stands as the steadfast foundation upon which our clients can build a future of financial excellence. With Power Analytics and Summit Services at their disposal, our clients have the tools and expertise needed to thrive, ensuring that their OneStream implementations remain vibrant and responsive, just like the evergreen trees that endure through the seasons.
