

BDA ROUNDTABLE

A **community of continuous learning and education for OneStream Administrators.**

The BDA Expert Roundtable

Our Roundtable is an unparalleled experience for OneStream Admins seeking personalized coaching and group training sessions. This exclusive initiative allows participants to gather around a metaphorical table with OneStream Experts on a weekly basis, fostering an environment where questions can be asked, assistance can be sought, and guidance can be obtained.

Our Format

The BDA Expert Roundtable is the opportunity for OneStream Admins to engage in personalized one-on-one coaching sessions. This individualized approach ensures that the specific needs and challenges faced by each participant are addressed, allowing for a more tailored learning experience. Additionally, group training sessions offer a collaborative and interactive setting where admins can benefit from shared insights and collective problem-solving.

Our Roundtable Members

Eight leading architects and experts within the OneStream community.

Roundtable Schedule

The Roundtable convenes on a weekly basis, taking place every Tuesday at 10 am CT / 11 am ET
